PROFESSIONAL SUMMARY

AI & ML Developer in training, currently pursuing B.Tech (AI/ML) at SAGE University, Indore. Experienced in Python, Machine Learning, and Generative AI with a proven track record of building real-world projects including a Kaggle-ranked ML model and an AI Learning Hub for Indian aspirants. Co-author of a published book on Agile & DevOps, holder of 5 patents in AI & ML domains, and certified by AWS, AI for Techies, Cisco, NASSCOM, and Red Hat. Seeking an AI/ML internship or entry-level developer role to apply practical skills and contribute to intelligent, impactful solutions.

CORE SKILLS & TOOLS

Python | Machine Learning | Generative AI | LLMs & Prompt Engineering | FastAPI | TensorFlow | Scikit-learn | NumPy & Pandas | SQL | C++ | Git & GitHub | AWS (Certified) | Google Cloud | Docker | Jupyter Notebook | VS Code | NLP | HTML / CSS / JavaScript

INTERNSHIP EXPERIENCE

Google AI-ML Virtual Intern | AICTE – EduSkills Program *Apr 2026 – Jun 2026*
via SAGE University, Indore (Ongoing)

- Selected for the 8-Week AICTE – EduSkills Virtual Internship Program in the Google AI-ML domain.
- Training in TensorFlow, neural networks, object detection, image classification, and product image search.
- Completing structured weekly assessments, project documentation assignments, and final assessment tests.

KEY PROJECTS

House Price Predictor *Python, Scikit-learn, Pandas, Kaggle*

- Built an end-to-end ML regression model achieving 85%+ R^2 score on a Kaggle dataset.
- Applied feature engineering, data preprocessing, and cross-validation techniques.
- Performed EDA to identify key price drivers using Matplotlib & Seaborn.
[Project Link \(House Price Prediction Model \)](#)

CERTIFICATIONS

- Gen AI 101 — NASSCOM FutureSkills Prime (Mar 2026)
- AWS Academy Cloud Foundations — Amazon Web Services
- Python Programming with Red Hat (AD141 - RHA) Ver. 9.0
- Introduction to Large Language Models (LinkedIn learning)
- Cyber Threat Management — Cisco Networking Academy
- AI Tools Workshop — AI for Techies
- Foundations of Data Science (google)
- AI Fluency Framework & Foundations (Anthropic)

ACHIEVEMENTS & ACTIVITIES

- Author — Published book: "Agile & DevOps In Practice: A Complete Practical Handbook from Campus to Corporate"
[Show Publication of Book](#)

- Filed and completed 4 patents in the domains of Artificial Intelligence & Machine Learning — demonstrating strong research, innovation, and intellectual property development capabilities.
- 2000+ LinkedIn connections in the AI/ML niche — consistently growing a professional network of practitioners and learners.
- Achieved 85%+ R^2 score on Kaggle House Price Prediction — top result for a first ML project.
- Built and launched AI Learning Hub — a free educational web application designed for Indian AI aspirants.
- Completed 10+ industry-recognized certifications from AWS, Google, AI for Techies, Cisco, Red Hat, and NASSCOM.

EDUCATION

B.Tech (CSE — Artificial Intelligence & Machine Learning) 2025 – 2029

SAGE University, Indore
